September 27, 2020

Welcome to our 99th Anniversary Service!

Whether you are a first time visitor, a returning visitor, a former member or a part of the *Lone Oak Family*; we are so glad that you have chosen to be here today, as we reflect, celebrate and give gratitude to God for the enormity of blessings that He has provided to us over the last nine decades. We look forward to our 100th years of service to our Lord and invite **you** to be a part!

-WELCOME MEMBERS, FRIENDS AND GUESTS -

PASTOR'S THOUGHT: Romans 1:21,22 – Because that, when they knew God, they glorified him not as God, neither were thankful, but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools."

The increasingly godless culture that surrounds us is filled with evil, but this is hardly the first time that the p*eople of God* have lived in such a sea of wickedness. The same was true in the first century when the early church was setting out to take the Gospel to the world. The Roman Empire was filled with violence and immorality and was extremely hostile to the new religion spreading from Jerusalem across their territory. Yet when the Apostle Paul described the society in which evil reigned, he began by accusing them of one particular sin – *the sin of ingratitude*.

Every person on Earth – *both saved and lost* – benefit from the amazing grace that God freely provides. No man is able to make the sun to shine, the wind to blow, or do any of the other essential things that make life possible. Were it not for the benefits provided by God, we would have nothing – absolutely and positively nothing! **Matthew 5:45** tells us that our Father which is in Heaven "*makes His sun to rise on the evil and on the good, and He sends rain on the just and the unjust*."

As the Children of God, who receive not just His natural benefits, but also eternal salvation, we have a special responsibility to be thankful. There is no excuse for us not to praise and glorify God every day, for the bounty of benefits that He has given to us.

Charles Spurgeon once said, "*When joy and prayer are married, their firstborn child is gratitude."*

We have much to be thankful for today. Of the countless people, down through the years, who have made this day possible for us; may we engage ourselves in gratitude for the richness of blessings that God given to us and the faithful and sacrificial service given by others.

Sincerely & Prayerfully,

Bro. Kerry

LET'S CONCENTRATE ON COUNTING OUR BLESSINGS AND WE WILL FIND THAT WE WILL HAVE LITTLE TIME TO COUNT ANYTHING ELSE.

Music Notes

Choir Practice @ 5:00 - in the Sanctuary - Thanks for singing in our Homecoming service. Plan on practicing each week to prepare for each service, so our messages in song will help the preaching of the Word.

Orchestra Practice - Sunday @ 9:15 - Thanks for playing your instruments for our worship services. Each of you adds a different "voice" when you play. If you play/played an instrument, please join us.

Tree House Kids - Wednesday @ 6:45 - The THK choir is still practicing for their upcoming program. Pray for them and their leaders as they get ready.

Music Thought
When Israel went into captivity in Babylon, they hung their harps on the willow trees and couldn't sing about God. Do we ever hang our harps when things aren't right?
